

INTERNATIONAL DEFENCE EQUIPMENT AND SERVICES EXHIBITION „HEMUS 2022”
PLOVDIV, BULGARIA, 01 - 04 JUNE 2022

<https://www.hemusbg.org/>

“HEMUS” is the biggest Bulgarian International Defence and Security Exhibition, with its over 25 years of growing experience traditionally offers unique opportunities for matching the interests of the Governmental Institutions, National Armed Forces, Bulgarian Defence Industry, European and International companies, Scientific institutions and Academia.

Established in 1995, “HEMUS” was dedicated and focused on strengthening the National Security in the variety of its aspects: Defence (Army, Navy, Air Force, Joint Capabilities, Communications, Logistics chains etc.), Antiterrorism, Border Security, Interior Security, Cybersecurity, UAVs etc., as well as on enhancing the capabilities of the Bulgarian Defence Industry.

Despite the complex epidemic and economic situation around the world ‘Hemus 2020’ marked significant growth in all trade parameters compared to the previous edition in 2018. Notably, ‘Hemus 2020’ occupied one more additional pavilion to accommodate the increased number of its exhibitors. On an exhibition area of a total of 3319 sq.m., of which 2003 sq.m. indoor and 1316 sq.m. outdoor **95 companies and organizations were presented, of which 68 Bulgarian and 27 foreign from 17 countries**, namely the Republic of Austria, the Australian Union, the Republic of Belarus (2 companies), the Kingdom of Belgium, the Republic of Bulgaria, the Federal Republic of Germany (4 companies), the Kingdom of Denmark, the State of Israel (4 companies), the Kingdom of Spain (two companies), the United Arab Emirates, the Republic of Poland, the USA (3 companies), the Republic of Turkey, the Republic of Finland, the French Republic (3 companies) and the Czech Republic. The Bulgarian Academia showed much higher interest compared to previous years, as the exhibition was attended by **12 Scientific bodies and Universities, of which 6 military and 6 civilian**. Among our distinguished exhibitors we hosted US Army’s contingent which took part in the Static Display together with the Bulgarian military units as well as US Air Forces’ fighters which participated together with helicopters from the Bulgarian Air Force in the Live Demonstrations.
