To: Korea Defense Industry Trade Support Center, KOTRA

*The Egyptian Defense Attaché Office presents its compliments and greetings,
hoping to improve cooperation and enhance the benefits for both sides.*

It is a pleasure to take this opportunity to introduce your esteemed organization the exceptional quality of Egypt's fine materials, particularly Ilmenite, Tantalum, and White sand. These materials hold potential for project implementations in various defense industries in Korea, further strengthening our bilateral defense cooperation.

- Ilmenite in the Abu Ghala area, Marsa Alam city, Red Sea Governorate, Egypt
- Tantalum in the Abu Diab area, Marsa Alam city, Red Sea Governorate, Egypt
- White sand in various regions of Egypt, readily available for purification and processing to cater to diverse industries, such as glassmaking and electronics production.

For those interested in further details regarding the above-mentioned fine materials of Egypt, the Defense Attaché Office SEOUL is pleased to provide additional information upon request.

Thank you.

Best Regards,

Cmdre. Khaled Elnassan
Egyptian Defense Attaché
